

# North Animas Village Members

Please contact your Health Insurance Company to find out what they may provide you in regard to Health Care Aides and companies specializing in this area available in Durango. In addition, share with your Internist or Primary Physician and clarify what they may suggest for home health care and then they will write prescriptions for such. Your Doctor may also recommend an individual or agency to assist in your recovery at home. As a patient however, you will also have a full list of all providers within Durango area at this time. Your Physician will also make the referral for you if you agree. Listed are services that many agencies provide in terms of health care aides.
